FUNCTIONAL and ATTRACTIVE

The typical office has an abundance of non-functional metal surfaces. FACEments™ Dry Erase Markerboard and Tackboard materials enhance aesthetics and convert flipper doors, files, lockers, and towers into communication centers.

Tackable Materials:

SofTack™ - light weight and durable

Homasote - GREEN, 100% recycled

1/2" Wood Fiber - great tackability, light weight

Solid Core 3-Ply - great tackability, mounts with brackets

Dry Erase Materials:

FlexWrite™ - Flexible, cost effective, non-ghosting

High Pressure Laminate - durable, non-ghosting

SteelWrite™ - formable, magnetic, non-ghosting

Porcelain - lifetime, magnetic, non-ghosting

Magnetic backing allows utilization of existing metal doors and furniture as functional work space.
